

## Monthly financial contribution to support Enfield Town FC

**As a fan-owned club, the continued success of Enfield Town FC on and off the field depends primarily on help from its supporters.**

Society members and other supporters like you kindly donate around £800 a month through our monthly contribution scheme; this helps meet the club's day-to-day running costs. And some of you have done this since we were formed in 2001.

We know that not everyone will be able to make a financial contribution at this time. However, if you can please give whatever you can, whether it's £5 or £50 a month, as this will help to ensure that our club continues to prosper.

If you can make such a commitment or increase your existing contribution, please complete the form below and send it to Dave Bryant at the address shown.

If you would like your annual membership of Enfield Town FC Supporters Society to be covered by your monthly contribution, please indicate here : Yes/No
